

# BECOMING TECH SAVVY THROUGH DIGITAL RESOURCES

**NOVA SySTEMic** and **NOVA IET** are teaming up with **Workplace Readiness Solutions** to offer an eye-opening STEM Careers Workshop: **Becoming Tech Savvy through Digital Resources**.

Being job-ready in the 21st Century means you need to know how to automate tasks while adding sharp interpersonal skills clients and colleagues appreciate. In this FREE virtual session, participants will learn the tools to become newsworthy by applying their work to the most effective EdTech tools. Increase your collaboration. Foster innovation. Chart your path towards a great career future!

Join Us! **Wednesday, March 31 @ 2pm** via Zoom
