SkillsUSA Interest Meetings at NOVA

Wednesday Nov 3, 2021 | 5:30pm

Thursday Nov 4, 2021 | 12:30pm

Sign-up at SkillsUSA.novastem.us/Interest

Are you a NOVA student interesting in competing and learning more job readiness skills? Join the SkillsUSA Club at NOVA!

SkillsUSA gives students the opportunity to showcase their craft by applying classroom knowledge to real life scenarios and allows for students to make connections with each other while learning skills to help them succeed in their future careers.

During our pilot year in 2020-21, three faculty members became advisors and recruited 30 students (7 in computer science and 23 in cybersecurity). Computer science students, Sesol Han and Arienbelle Aguila, went on to compete in the SkillsUSA Virginia State Leadership and Skills Conference, where Sesol won first place and Arienbelle placed second in the post-secondary computer science competition!

Questions? Contact Niki Gordon at nkgordon@nvcc.edu

SkillsUSA empowers its members to become world-class workers, leaders and responsible American citizens. We improve the quality of our nation's future skilled workforce through the development of SkillsUSA Framework skills that include personal, workplace and technical skills grounded in academics. Our vision is to produce the most highly skilled workforce in the world, providing every member the opportunity for career success.
